Dist. 14C, Zone 4-B

President, Lion Kerry McKnight

January, 2018

~ Roar from the President ~

Fellow Lions,
Christmas is known as the season of giving. Some people make donations because it makes them feel good during Christmas to help the less fortunate. Others because it's a year-end tax deduction. As NFLC enters January, the Lions season of giving does not end just because we are beginning a new calendar year.

Photo by our "Super Server", Holly K. at our Holiday Party @ Stonebridge Grille

New Freedom Lions Club has been giving for 84 years to provide aid and support to the less fortunate and nonprofits because that's what we do. Yes, it does make us feel good. As Lions Club International Foundation District 14-C Coordinator, I wish to thank every member of NFLC that made an individual contribution to LCIF since the natural disasters occurred last fall.

- Roar - cont.

Not only did our club make a very generous donation but several members stepped up on their own accord and voluntarily made a thoughtful contribution to help those that were affected by these disasters around the world.

We had a great turnout at the NFLC Christmas party held at Stonebridge Grille in Maryland Line. Everyone had an enjoyable time. A big Thank You goes to Lion Lindy for making all the arrangements. Those that did not attend should try to make it next year.

In early December several of our members gathered at the Lord's Lunch in St John's Lutheran Church on East Main Street in New Freedom and performed eye screening for 27 children and adults. Thanks to Lions Patti and Wayne, Lion Bob and Lion Deb for giving up their Saturday morning to perform this valuable service. The more of these eye screening programs we perform, the more we realize that there are people that cannot afford such a simple thing as going to the eye doctor occasionally. We've had adults tell us that it has been many years since their last exam. They are aware their vision is getting weaker, but do not have the funds to have their eyes examined.

Finally, to those that inquired about my health since my recent surgery. I'm now completely recovered and feel great! I'm just going to need to "Serve"..... without a gallbladder.

President Kerry

"Dutch Says"

Wow!!!

2017 is gone! When I look back at the year, I will tell you how my year was. I miss all of my Lions and Lioness from New Freedom Club. I also miss the snow ❄️. We only had 2 inches all winter. I got to meet a lot of doctors through the year. Lion/Lioness Gail had surgery on the 17th of December on her wrist from when she fell over me. The doctor has told us that she will not be able to use her left hand to hold my harness ever again. I am going to be retired and become a pet. Leader Dog for The Blind is going to train another dog for her right hand. I will keep you up on how things are going.

"We Wish You All A Happy New Year ✨ And A Healthy Year Also". ~ Dutch and Lion/Lioness Gail
