~ Roar from the President ~

Fellow New Freedom Lions-

I begin this month with CONGRATULATIONS to the newly elected 2018-2019 New Freedom Lions Club officers. For the first time we not only have a full slate of Vice Presidents, but also a 3rd VP. Thank you all for stepping up to make our organization strong.

There are clubs in 14-C that are struggling to continue to serve. They do not have a membership plan in place to grow, or lack proper leadership. NFLC is striving to be the best Lions Club we can be. WE SERVE.

The Anniversary committee continues to meet and make plans for NFLC's 85th Anniversary Celebration Dinner to be held September 15th in the Youth Building on Campbell Road. We are extremely honored to have

secured to return as Keynote Speaker Past International President Clement Kusiak. IPP Clem was our guest at the 75th dinner. He is a magnificent speaker and is much in demand all over the world.

- Roar - cont.

He has accepted our invitation to join us for dinner and speak to New Freedom Lions Club. We are pleased he is taking the time out of his busy schedule to join our members and guests in this special event.

Our first ever NFLC road cleanup on Constitution Avenue was a great success. Several Shrewsbury Lions joined us in the collection. Over 20 construction size garbage bags were gathered in less than 2 hours. After pictures were posted on Facebook, NFLC received many thanks and "job well done" comments from the community. We appreciate all Lions and guests that took the time to perform this valuable service. The next cleanup will be scheduled for in the fall.

I ask all New Freedom Lions Club members to attend the May 1st & 15th meetings in the Lion's Room. We have lots to discuss regarding our future, the carnival, and the organizations we support. The officer Installation Dinner will be in the Youth Building June 5th. PLEASE bring a guest.

We Serve,
President Kerry

- Family Scouting - Offering iconic Boy Scouts of America® Programs to Boys and Girls

Patty O'Brien spoke about how Boy Scouts of America will begin accepting girls into Cub Scouts beginning the spring of 2018. The Cub Pack is asking for a decision on how the club would like to structure and accept girls into the scouting framework. More information about how that framework and pack structure will be discussed at a later meeting.
